

# **Welcome to Gasthof zur Schmiede**

In the truest sense of the meaning, we want to make your stay as pleasant as possible. Part and parcel of this is our carefully prepared cuisine, where particular emphasis is placed on the variety of local produce available. Your own specific culinary requirements are a matter of interest to us too. A wide range of Austrian wines are ideal accompaniments to an outstanding menu, and are part of the choice available. Our idyllic terrace tempts you to linger for a while – over some coffee and cake, a glass of Prosecco or a schnapps "to aid digestion" after a lovely meal.

## **Restaurant**

We prepare dishes from regional Carinthian and Austrian cuisine and offer seasonal dishes and tasty treats. The emphasis is on regional, local produce. Home-made tarts, cakes and pastries indulge your sweet tooth. An award-winning and well-tended beer culture, well-chosen branded items, including drinks and fruit juices from Lavanttal are available on our drinks list and there is a wide selection of Austrian white and red wines in our new vintothèque "Paolo Santonino".

Our cosy and lovingly designed snug has space for 30 guests. Friends meet regularly for drinks here, or at the bar for a cosy get-together. Meanwhile we indulge our guests with regional, traditional fare at our lovingly laid tables.

## **Celebrations**

Gasthof zur Schmiede offers tradition and cosiness and is a perfect setting for any occasion. Whether it is in our dignified snug or in the dining hall, which can be specifically arranged to cater for celebrations, including birthdays and weddings, and for company celebrations too. The dining hall with its bay windows, has a sophisticated ambience and space for up to 120 people.

## Oberes Drautal - A region worth experiencing

Welcome to Oberdrautal outdoor park, where there is everything to set the hearts of outdoor lovers racing - exciting sport and leisure activities, as well as oases of relaxation and tranquillity! The unique natural landscape in the midst of the gentle summits of the Kreuzeck group to the north, the impressive mountain ranges of the Gailtal Alps to the south and the Lienz Dolomites to the west, the pleasantly mild, stimulating Alpine climate and the hospitality of this region tempts sports fans and those looking for relaxation to enjoy an unforgettable nature-filled and experience-packed holiday. Far removed from mass tourism.

## Hiking

A little bit in the shade of the famous mountains like the Großglockner, the Ankogel and the Lienz Dolomites, the summits of the Kreuzeck group and the Gailtal Alps soar towards the heavens above. This little explored mountain landscape in the west of Carinthia provides superb, variety-packed hiking opportunities – whether you want to relax and unwind, are looking for adventure, solitude or company.

## **Cycling**

The 230 km Drau cycle path (R1) follows the origin of the Drau along the Lienz Dolomites through the mountains in Upper Carinthia to the lakes in Carinthia. In between is the charming Upper Drautal which has numerous natural attractions and unspoilt vegetation. Juniper groves, protected botanical rarities, mountain herbs and culinary delectations tempt you to enjoy a longer cycling trip in the outdoor park that is Oberdrautal.

## **Way up high**

Float gently above the landscape while paragliding and hang-gliding, take a look at the world from above - so many worries are put into perspective up in the lofty heights. The flying camp is in Greifenburg; start out from Emberger Alm in Berg im Drautal. As well as the ladies hang-gliding world championships (2004), the European hang-gliding and fixed-wing aeroplane championships have been held here (2008).

## **Enjoy**

There, where at one time the Pangaea and the ocean came together, today is one of the loveliest fluvial landscapes in the southern Alps. The River Drau opened up a path between the crystalline and dark, gentle peaks of the Kreuzeck group and the light limestone rock of the Gailtal Alps. The upper reaches of the Drau today are one of the last natural rivers in the Alps and provide you with the opportunity to discover the beauty of our region from the water.

## **Skiing**

Whether in the valley or on Emberger Alm, the outdoor service provider "drauactiv" has a course to suit beginners & experts alike! Practice makes perfect! And with the ski school in Oberdrautal outdoor park, anyone can get out there on their boards! Maybe you want to improve? Learn how to ski in deep snow or finally tackle the mogul pistes with grace? Then our ski school is the place for you!

## **Ice-skating**

Ice-skating – family fun that is fun for everyone. In Oberdrautal outdoor park there is an opportunity in every town in the area to practice pirouettes on artificial ice, or even on Weissensee, which is just half an hour away and is one of the biggest natural ice areas in Europe! Weissensee – the biggest natural ice area in Europe – is just a 15-30 minute drive from the outdoor park.

## **Cross-country skiing**

There are no end of hiking slopes through Drautal. Walk, without the distraction of the noise and the smell of traffic. Get fit and rid your body of everyday frustrations in the clear winter air. Oberdrautal has an extensive network of skiing tracks. The routes proceed through the romantic fluvial landscapes of the Drau and across sunny altitude terraces.

## **Snow-shoe hiking**

Snow-shoe hiking is child's play – make your tracks in the deep, powder snow or in firm snow that is a few centimetres deep and immerse yourself in this unique fairy-tale scenery. Hike through areas and landscapes which would otherwise be inaccessible in the winter. Deep snow-covered mountains, up through picturesque forests, the warm sunshine on your face. A holiday couldn't be any more pleasure-packed.
